

# TEN:TWO TRUST

Preach the Gospel; Equip the Church

## New Resource!

I recently visited our friends at Christian Vision to record a new resource to equip people in their evangelism. The resource is a video series containing short 1 minute videos with different topics designed on making us more effective in evangelism. You can see them now by visiting YouTube and searching for Ten:Two Trust Top Tips for Evangelism. I trust they will be a blessing and an encouragement to everyone who watches them!

## Prayer Morning

At the start of every year, we begin with a prayer morning. In January, we will be hosting our prayer morning at Castlegate Church on 22/01/18 at 10am We would love you to join us there and pray with us for the work of Ten:Two Trust

## Dear Praying Friends,

As I sit here reflecting on what has been an eventful year, I am so thankful for each one of you who has supported us on this journey. This year, the Lord led us to change our name from Team Support Ministry to Ten:Two Trust based on Luke 10:2. We have also seen a fresh vision and completion of the transition from Dr Stone to myself. It has been a challenging yet exciting year, and we have hit obstacles but seen God give us massive breakthroughs. Through it all God has been faithful, reminding us constantly He is with us and that through everything, He is good.

One of the most exciting developments of the last year is the ongoing relationship with UCB. October saw the launch of Ask the Evangelist on UCB 2, which airs on Saturday evenings at 6:30pm and is repeated at 3:30pm on Sunday afternoons. This November I travelled to Milton Keynes to do Ask the Evangelist live.

Evangelists from around the town attended and we had a wonderful time of encouragement and making new friends in the presence of God. If you would like to host an Ask the Evangelist live evening, please contact us.

This year we have also launched Evangelism training, equipping believers to share their faith. In September I was in Lower Gornal leading a Go & Grow evening. This was the third Go & Grow we did this year and each time people attending found it very beneficial and helpful. I have also been coming alongside individuals to support and equip them in evangelism. Another exciting aspect of our training is the young evangelists that I sit with on a monthly basis to mentor

## Calling All Pray-ers

At the start of 2017, I believe the Lord spoke these words into my heart: "Increase the prayer temperature in all aspects of the ministry". This of course meant I must increase the prayer temperature in my life but also the prayer temperature in Ten:Two Trust. One of the things we set up was a small group of people who would commit to regularly praying for us. I send an email out once a week with guidance on how to pray for us that week. Since we have increased the prayer temperature, we have really seen the Lord give growth, provide in miraculous ways and increase His anointing upon Ten:Two Trust. As we seek to be even more effective in 2018, we want to increase the number of people praying for us. If you believe the Lord has laid it upon your heart to become one of our intercessors, we would love for you to join our team. Please indicate on the response form and provide your email address so we can add you to our list. More prayer = more power. We desire to be even more effective and see more people come to know Jesus. We can only do that with your help!

and support. It really excites me to help motivate and equip the next generation of Evangelists.

Of course, evangelism is central to everything we do in Ten:Two Trust. We have witnessed some incredible testimonies on the streets this year (some of which can be found on our YouTube channel). Recently I was out on the streets of Dudley for a day and my friend Jay and I felt a real resistance. We decided to proclaim the Gospel and preach on the streets. We preached for around one hour and afterwards felt a real difference, witnessing God really break through in the town centre.

In the months ahead, we at Ten:Two Trust will be busy with evangelistic efforts for the lead up to Christmas. I will be taking part in Gornal Community Radio, an opportunity for the Churches in the Gornal area to share the Gospel over the radio, and I will be hosting a show during its time.

In January we will be hosting our yearly prayer day. This is an opportunity for us to set aside a day at the start of the year to ask for God's direction and guidance over the year ahead. We would love if you could join us this year on 22/01/18 at 10:00. We will be meeting at Castlegate Church, Dudley. January will also be a planning month for the year ahead as we seek God and plan for 2018 and beyond. The aim for 2018 is to be on the streets twice a week working with local Churches up and down the country.

We already have an increasingly busy schedule. One of the new opportunities for us is a mission in summer 2018 supporting our friends at Castlegate Church.

I would like to thank you so much for all your financial and prayer support in 2017. I hope and pray you will continue to stand with us in 2018.

Blessings  
Josh
