

TEN:TWO TRUST

Preach the Gospel; Equip the Church

Prayer Cards

One of the new initiatives we have launched is to encourage people to pray for their unsaved friends and family. Evangelism starts in prayer and there is a real need to pray for people to come to know Jesus. We have designed a prayer card, the aim of which is to encourage you to pray for 5 people you know who don't yet know Jesus. The impact of this could be amazing. If a Church of 50 people began to pray for 5 people each that would be 250 people that Church reaches out to. I have enclosed a copy of the prayer card in with this newsletter for you to begin praying for your 5 people to know Jesus.

New Address

As the changeover is happening (from TSM to Ten:Two Trust) we now have a new mailing address. Please send all future mail to Ten:Two Trust, c/o Castlegate Church, 6 Birdcage Walk, Dudley, DY2 7AE

Dear Praying Friends,

Welcome to the new Ten:Two Trust newsletter! New name, new format but the same heart to preach the Gospel; Equip the Church. It's exciting to be able to write to you and share with you all that God has been doing through the work of Ten:Two Trust (formerly known as Team Support Ministry).

In June, it was a privilege to travel with Brian and May Gault. Brian has a wonderful testimony which he shared when we were in Essex and the Midlands. Many lives were touched by this tour and it was an honour to work with Brian and May again. Something particularly exciting in June was the testimony of an elderly gentleman in Dudley town centre who was lonely, tired and in pain. We were able to connect him with a local Church, who have visited him and taken him along to their services.

In July we launched our new evening training seminar called Go & Grow. Pastor Rob Cooper from William Street Church said: *"We were blessed to have Josh teaching us about evangelism and discipleship. It was presented in a dynamic way that encouraged plenty of interaction. His enthusiasm for soul winning is also contagious and impacted all who got involved. Looking forward to the results."* Would your Church benefit from a Go & Grow evening? If so, contact us on the form provided. **In July we also launched our new website.** If you haven't visited the site yet type in: **www.tentwo.org.uk**.

It was a great privilege to travel down to the Emirates

Moving forward

Please continue to pray for us at Ten:Two Trust. At the moment we are stretched to capacity and are in urgent need of breakthrough for the work to continue as it is. We need God's direction and His wisdom. Please pray for breakthrough in all areas, especially financially. We are an organisation that rely and run on generous gifts from many prayer partners. We have various people and Churches who sponsor us monthly between £10 - £100 a month. However, this isn't enough to enable us to step into what God wants us to do in the future. This year we aim to raise our monthly giving to £2000. Not only will this help us continue in what we believe God wants us to do, but it will also enable us to reach more people. Will you take up the challenge to become a financial partner with us as well as a prayer partner? Will you take up the challenge to partner with us on a monthly basis to train more harvesters in the harvest field? Will you take up the challenge to partner with us on a monthly basis to see more people come to know Jesus?

Stadium on 8th July to the Just One event. I was working as a Response Team Leader and oversaw the organisation

of the response team in a certain area. The response was overwhelming and we were all moved to see so many people come forward to receive Christ. It was also a special occasion for me as Susie, my girlfriend, was one of the team that worked so hard to make this event happen. She and the rest of the team did a

wonderful job and it was great for me to share it with her (see photo on the left).

This August I have had the opportunity for a short break which has been a real blessing. In early August I travelled to UCB (United Christian Broadcasters) to record some one minute devotional spots which will be going live in September. Do listen out for those. I will also be travelling back to UCB to record different items for them.

Recording at UCB

It has been a busy few months for us and we are expecting it to be a busy end to 2017. Thank you for praying for us and standing with us. Without your support what we do would not be possible. We value your support greatly!

God bless you all.
